

Our rooms

The decor in all rooms is slightly different, but all are en suite, with bath, shower or both. You'll sleep on Egyptian cotton bedding and dry off with Egyptian cotton towels; our toiletry products come from Neutrogena, and the hospitality tray features names like Nescafé and Twinings. If you prefer freshly ground coffee to instant, our bean-to-cup machine is freely available to you in the lounge, all day, every day, as well as a wide variety of herbal and flavoured teas.
